“ Auntie Peg,
I truly loved when you would come and visit Granny and especially when you would attend my baseball games. Thank you for always making me laugh and listening to my stories. I should have seen you one last time and shared a story or two, and for that I am sorry. But I will hold our memories that we shared close to my heart and share them with my future daughter. Your laugh, smile, and loving nature will be forever missed but never for forgotten. I love you with all my heart.

Love,

“ Friends and family surely have special memories of my Aunt Peg. As far back as I can remember I have always enjoyed whether in person or on the phone ,the warm loving smile and the sound of Aunt Peg's voice. When ever her name is mentioned or thought of her runs thru my mind, I will always see her smile and hear her voice say "Hi Joey".

I will see you again one day!

Love,
Joe

“ My Auntie Peg had the biggest heart, and I'm so lucky she shared it with me and my family. Whether I was with her in person or just speaking to her over the phone, she always made me feel incredibly loved. She never lost an opportunity to tell me that I was beautiful, kind, and smart, and I am beyond thankful for her reminders. Everyone should have someone like Auntie Peg in their lives and hearts. I'm endlessly happy to have had her in mine .

“ Auntie Peg always really supported my love for music. As a young girl I would sing just about anything. Then I started piano. Auntie Peg would always listen to me play and give me a lot of praise and applause. I used to send her recordings of me playing and she would always call and say how much she enjoyed it. I will always remember her for her support for my music and her killer Mac and cheese.

“ I don't believe Auntie Peg had a mean bone in her body. I will always remember her smile and her ability to look on the bright side of every situation.

Auntie Peg loved her family and made many sacrifices for them; many times doing without to make their lives better. Truly, Christ's love did shine through her.

I have no doubt that when she entered into the Lord's presence, He said the words,

"Well done, my good and faithful servant."

Matthew 25:23a

“No one lights a lamp and then puts it under a basket. Instead, a lamp is placed on a stand, where it gives light to everyone in the house. In the same way, let your good deeds shine out for all to see, so that everyone will praise your heavenly Father.”

Matthew 5:15-16

Auntie Peg, your light will forever shine and be an example to others of Christ's love. I love you and look forward to the day when we can worship and praise Jesus together!

“ It is very difficult for me to share my memories of my Auntie Peg without crying. My husband, Erick, loved her like she was his blood; actually, everyone loved her. She had the most infectious smile and she always made you feel like you were the most important person in the world. Heaven has gained a true angel and I am left with a broken heart. Auntie Peg, I love you and this earth was a better place with you in it.

“ "Auntie Peg?" "Yes Darling?" This is how our conversations always started. She let me know just in those two words how much she loved me.

Auntie Peg, I will miss you. See you in heaven!

“ Heaven gained a beautiful soul and the world lost a truly wonderful woman.

I didn't meet my Auntie Peg in person until I was in Jr. High School. Back in the 60's and 70's we didn't have mobile phones or email but we did have photographs and the long distance telephone calls (after 7 pm on Sundays, lol) so when I finally got to see her in person it wasn't a surprise because I had always known her! She was so full of love; love for her brothers and sister, daughter, her grand daughter, great grand babies, nieces, nephews and her whole extended family and friends. (This is a LOT of people because as you know, Auntie Peg made friends where ever she went).

I am so lucky that I was able to share Auntie Peg with my family. We had some great times together when she visited us in Southern California, Utah and even on our trips to Lake Tahoe. It was especially fun when we would travel with my Mama (her sister Billie) as well Auntie Peg. I would over hear them, bickering at times like sisters do, but mostly reminiscing about their lives together, about "Daddy" and how "Mama would love seeing this", and enjoying each other's company. My girls were so fortunate to have another, older "Auntie" who loved them and one that they could love right back. It was like they had two grannies. She also loved my husband Ron too and he loved counting her as a member of our family. Auntie Peg cared for each of us in her special way and enjoyed showering us with love and care! My girls always knew she loved them unconditionally and we loved her right back.

Auntie Peg wasn't just a spoiler, she was a helper. I don't know what I would've done without her the many times that I had to take my youngest to the hospital. I stayed at the hospital with a calm spirit because I knew Auntie Peg was at home holding down the fort. I remember her rocking, holding, walking, reading with my baby Kelly or giving her her morning cup of "coffee" (a sippy cup of water) in the morning because she wanted what "Peg" was drinking. I can still envision her at the kitchen sink washing dishes, because they needed to be done, or folding clothes that I would've left undone because I was overwhelmed or distracted. She made excellent biscuits and the BEST fried corn! She was a real blessing to me and my family.

It was a sad time when Auntie Peg could no longer make the long trip out to visit us but we knew that she still loved us and was a part of our family. It's a great thing to know that she has been reunited with her departed family in heaven and that one day we will be seeing her again.

We will miss you Auntie Peg, but we'll see you in heaven!

Love,

Gayle Lopez

“ I have never until this time been without my big sister. I count it a great loss. However I willingly give her up to go to be with Jesus. This is what she and the rest of us look forward to.

I love my sister and know she is now in the hands of God. This makes it all good. I will meet her there some day.

Peggy loved her family and friends. She had no enemies, as to know her was to love her.

In her last years of her life she had 2 jewels, her great grand daughter and her great grand son. Alaina Grace and K. C. were the lights of her life and I know they have loving memories to ponder the rest of their lives. K.C. and Laney you are truly blessed to have such a memmal

The last years she has been privileged to live with Bobby and Steven in Gates and had a great new family. She loved each one of you. I feel I know you all thru her. Thank each one of you for all the kindnesses bestowed on her.

God Bless and Keep you in the hollow of His hands.

“ I've always seen Steven as a brother, and when he married Bobbie I gained not only a sister but another memaw. She was always the sweetest person and absolutely loved seeing the boys. She had such love for everyone. And i am sure that she will never be truly gone because her love will continue to echo through our thoughts, words, and hearts.

Matt Stanley - September 28, 2017 at 09:50 AM

“ I first met Peggy when I was 5 years old when I became friends with Bobbie. From that moment on, if Bobbie and I were not at my house, we were at Peggy's. She was like my own grandmother and always treated me like family. I always saw the absolute and unconditional love that she had for Bobbie and how deeply she cared for all those blessed to be around her. Bobbie, I know that you made your Memal proud and I know that you made her last few years wonderful. Peggy will definitely be missed here on earth, but I know she is now in Heaven watching over her family and we will see her again. My family is keeping you all in our thoughts and prayers during this difficult time.

“ I met "Peggy" in 1986 when I Married her nephew. She was always very kind to me and my children that were born in that marriage. Her and Kenneth (her brother) would crack me up! They would either be cutting up or bickering, like siblings do. I have fond memories of them both and hope they are resting in peace. May the lord be with you in your time of grief.

“ What a sweet and kind lady! I don't think I ever saw her that she was not pure joy to be around. God blessed her with a good, long life and blessed us with the privilege of having her join our community as a beacon of Him!

“ I lost my sweet grandmother recently and it's a loss I've never felt before. Grandmothers are special. I know you guys cared for Ms. Margaret daily. My grandmother had this quote in her bible and it comforted me.
"Those we love are with the Lord.
And the Lord has promised to be with us.
If they are with Him,
And He is with us--
They cannot be far away." (Peter Marshall)

Prayers and love for you all.
